

MARK RIDLEY PROMOTED TO AN ASSOCIATE

We are pleased to announce that "Mark Ridley" - (left in the photo) who is head of our Employment Department has been promoted to Associate.

Jon Wilby, head of our Litigation and Coventry FirstPro Professional of the Year, said: "Mark has been a strong addition to our employment team and after a successful year we felt he could add something extra to the firm as an associate.

"He is the type of individual who will help to take us forward. He has been a partner at his previous law firm so his experience will be very valuable."

Mark said: "When I moved here I wanted to work for a friendly, progressive firm - and that's exactly what I've found. "We have continued to be busy in our employment department – as we have across the company – and so I'm thrilled to be taking a bigger role.

"Band Hatton is going places and it's an exciting time to be here. We are planning for a strong future with a forward thinking management team."
